extended feeding

Mulch helps to
protect seeds and
maintain moisture

NET WT. 12.00 LBS (5.44 KG) • COVERS 180 SQ. FT.

*Subject to proper growing conditions. **Subject to proper care.

ALL-IN-ONE

The Andersons All-In-One organic lawn repair has four key ingredients that make repairing dead or bare patches in your lawn easy; grass seed, soil amendments, fertilizer, and mulch. The coated seed is suitable for use in areas with sun or shade. Soil amending humic acid and biochar help create ideal growing conditions and the biochar helps speed up seed germination. Newly planted areas will receive immediate and extended feeding from organic fertilizer. Mulch keeps the seed and nutrients in place while also retaining moisture. The Andersons All-In-One organic lawn repair does not include any manures, waste, or animal by-products.

Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn, and sweep any product that lands in the driveway, sidewalk, or street, back onto your lawn.

PLANTING INSTRUCTIONS

Follow these instructions for an all-natural, thick, healthy turf

PREP

Prepare soil by removing debris. Once debris is removed, rake the soil to loosen the top layer.

PLANT

Spread The Andersons All-In-One organic lawn repair at approximately 1 cup per square foot where grass is desired.

WATER *IMPORTANT!*

Keep the soil moist by watering daily (twice if necessary, based on growing conditions) until the seed sprouts and reaches approximately 3 inches tall. Mulch will turn a lighter color when watering is necessary.

STORAGE

Store left over product in a clean, dry place. Reseal opened bag by folding top down and securing.

PRO TIPS

- Do not mow until new sprouts reach 3 inches in height
- Spring and Fall are the best time to plant new seed
- Keep soil moist by watering daily or more if needed

PLANTING APPLICATION RATES

FOR REPAIRING BARE SPOTS

BEST RESULTS

RATE: 1 cup / 1 sq ft

LARGER AREA COVERAGE

(up to 25% turf damage)

RATE: 1 lb / 15 sq ft
