

Mittleider Magic™

WEEKLY GARDEN FOOD

13-8-13

- **Formulated using the Mittleider Gardening methodologies.**
- **Use on gardens, flower beds, trees, or shrubs.**

GENERAL INFORMATION

Mittleider Magic Weekly Garden Food is specifically designed using the teachings of the Mittleider Gardening Course (www.Growfood.com). It delivers a combination of macro, secondary and micronutrients for your garden, trees or shrubs and is designed to be applied to gardens weekly during the growing season.

DIRECTIONS FOR USE

Apply Mittleider Magic Weekly Garden Food to gardens as follows:

When preparing beds for planting apply 1/2 ounce per running foot in the planting area and mix with the soil. Immediately after seedlings sprout or 3 days after transplanted seedlings, apply 1/2 ounce (1 tablespoon) per linear foot between two rows of plants in an 18"-wide soil-bed or container. If the Mittleider Method is not being used, apply 1 teaspoon to small plants and 1 tablespoon to large plants, applied according to the schedule below.

For trees, shrubs, and vines apply 1 ounce around the root zone of those 1" or less in diameter, 16 ounces for those trees 18" or more in diameter, and apply 3-4 times to non fruit-bearing plants and 5-6 times for those bearing fruit, depending on length of growing season. For trees in between those sizes adjust feeding rates proportionately. Refer to the Mittleider Gardening Course book pages 56 & 57 for more details.

To apply evenly distribute the fertilizer down the center of the bed, keeping 2-4" from plant stems. Apply until 3 weeks before harvest for single-crop varieties, and until 8 weeks before killing frost for ever-bearing plants (tomatoes, peppers, squash, melons, etc.).

TYPICAL NUMBER OF FEEDINGS FOR EACH CROP TYPE:

Leaf Lettuce, Green Onions, Peas, Radish, Spinach	3-4 applications
Bush Beans, Cabbage, Cauliflower, Celery, Corn, Head Lettuce, Parsley, Turnips	5-6 applications
Beets, Broccoli, Chard, Bush Cucumbers, Garlic, Kale, Onions, Peppers, Tomatoes, Watermelons	6-8 applications
Pole Beans, Vertical Cucumbers, Vertical Eggplant, Cantaloupe, Okra, Squash	8-12 applications
Sweet Potatoes	16 applications

IMPORTANT: READ BEFORE USE:

Read the entire Directions for Use and the Warranty Disclaimer and Limitation of Liability before using this product. If terms are not acceptable, return the unopened product container at once. By using this product, user or Buyer accepts the following Warranty Disclaimer and Limitation of Liability:

WARRANTY DISCLAIMER AND LIMITATION OF LIABILITY:

Manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions. Manufacturer makes NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY
